ABSTRACT SUBMISSION

PURPOSE
The main objective of abstract presentation is to give to the participants the opportunity of interactions and exchanges. This dialogue can strongly contribute to the grow of the field, bringing new perspectives, data and results discussion and visibility to original work.

GENERAL SUBMISSION GUIDELINES
- The deadline for abstract presentation is April 10th, 2023, 12 p.m. The organizers reserve the right to reject any scientific work submitted after the above-mentioned deadline.
- Abstract submission will only be accepted via e-mail to the Organizing Secretariat (info@victoryproject.it).
- Changes on the scientific works are possible until the deadline by re-sending the abstract.
- It is possible to submit more than one abstract.
- For each abstract, one presenting author has to be identified.
- All the communications concerning the abstract will be sent to the submitter who will be responsible for informing the other authors of the status of the scientific work.
- The presenting author should accept full responsibility for the content, submission and presentation of the scientific work.

ACCEPTANCE
- Notification for acceptance will be sent by April 16th 2023.
- The Scientific Committee will select a few abstracts for oral presentation.
- Details with size and layout requirements will be given to the authors after selection. Posters will be displayed in the Congress Area throughout the meeting.

INSTRUCTIONS

● The abstract should not exceed 400 words. The abstract length includes only the main body of the text; authors list, affiliations, title and references are excluded. Abstracts can contain formulas, pictures or graphs.
● The abstract must be written in English.
● We recommend to prepare the abstract in a word processing programme (e.g., Microsoft Word) in a 12 pt font.
● Conflict of Interest/Disclosure: Abstracts must include an acknowledgement of any commercial funding sources. Authors should declare all commercial interests.
● Please do not forget to enter your information as follows:
  · Address of the corresponding author
  · Valid e-mail address is mandatory; fax/phone numbers and postal address may be useful in case of problems with e-mail correspondence.
  · Title
  · The title should not exceed 20 words.
  · Author’s names
  · The name of the Presenting Author should be mentioned first underlined. Separate multiple authors with commas.
  · Affiliation(s)
  · Institution(s) of the authors
  · We recommend that the abstracts are structured into paragraphs, such as Background, Aims, Methods, Results and Conclusions.
  · Background: A short introduction is needed to the background of the study. Limit information to the essentials. If you are referring to published work then you must cite it.
  · Aim: Please mention the aim of the study.
  · Methods: Give enough details for the reader to understand what techniques were used; include details of statistical methods.
  · Results: Results must be stated. Should the method produce numerical data, then numbers must be presented with appropriate statistical results.
  · Conclusions: significance of the results supported by the data presented.
